- 16.2. Current weapon disciplines adjudicated by the BASSC are Rapier & Dagger, Unarmed Combat, Smallsword, Quarterstaff, Broadsword, Swashbuckling Sword, Sword & Shield, Rapier & Cloak, and Knife.
- 16.3. The minimum age for any student to participate in BASSC classes and workshops is 18 years of age.
- 16.4. In order to take a single weapon FPE students must have a minimum of thirty (30) contact teaching hours with a BASSC CT per weapon.
- 16.5. An FPE where both Rapier & Dagger and Unarmed Combat have been taught concurrently and both are examined at the same FPE is defined as an Actor/Combatant FPE and students must have a minimum of sixty (60) contact teaching hours with a BASSC CT.
 - 16.5.1. Although a student may be considered as an Actor/Combatant with passes in any two weapons, to be an Intermediate or Advanced Actor Combatant, the student must have passes in both Rapier & Dagger and Unarmed Combat. These do not have to be undertaken jointly. Passing both weapons in an Actor/Combatant FPE gives students Actor/Combatant status and allows them to progress automatically towards Intermediate or Advanced A/C status by taking other single weapon FPEs and attend the I/AACW at the BNSCW. (See Paragraph 19.4)
- 16.6. Where the FPE does not follow immediately after the training, the timeline for completion of training and taking the FPE, for each weapon, is as follows:
 - 16.6.1. Training with the required number of hours with a BASSC CT must have taken place within the last 5 years.
 - 16.6.2. The student must attend an additional day with a BASSC CT which will comprise:
 - a. A three (3) hour technique assessment session to ensure that the student has the appropriate understanding and ability to perform techniques for that weapon.
 - b. If the student completes the session to the satisfaction of the CT, a further session of at least five (5) hours during which the student, with a partner, will learn, rehearse and perform a full FPE with the required moves for each weapon within a dramatic scene for adjudication by a BASSC examiner.
- 16.7. The rules and guidelines for all FPEs are as follows:

- 16.7.1. Up to three scenes performed on the same day by a single student, within the same FPE adjudication, are considered one exam. Under these circumstances the student will only be required to pay for a single FPE. A student may not be examined in more than three weapon disciplines at one FPE.
- 16.7.2. Current certificates from other stage combat certification bodies may be accepted, at the discretion of the Executive Committee, as a requirement for taking part in the FPE at the Intermediate/Advanced Workshop at the BNSCW. (See Section 32 International Stage Combat Organisations). This only applies to students not holding a BASSC certificate in Rapier & Dagger and Unarmed Combat.
- 16.7.3. All FPEs whether individual or multiple weapons disciplines must be adjudicated by a member of the Board of Examiners or their appointee.
- 16.7.4. A single weapon FPE scene may not exceed three (3) minutes in length. If two weapons are examined within a single scene then it may not exceed five (5) minutes in length.
- 16.7.5. The FPE may be divided into two parts. Part One is compulsory and Part Two will be held at the discretion of the Fight Examiner.
- 16.7.6. Part One of the exam is the performance of the exam choreography within the context of a scene, in which the performance is both safe and dramatically effective.
 - a. The choreography must include the minimum compulsory techniques set down by the BASSC (see Section 17 Minimum Compulsory Techniques for Single Weapon FPEs below) and be provided and taught by the certifying CT.
 - b. The BASSC suggests that all scenes come from dramatic literature. Efforts should be made to ensure sourcing of new scenes from teachers, students and other organisations that can be incorporated into the BASSC scene book and which help to represent diversity of gender and ethnicity of characters and authors. Formatting of scene texts for incorporation should include descriptive tagging of content for the table of contents and a brief synopsis of the context for the fight on the scene page to aid student and teacher choice.
 - c. The scene must establish character and a cause for the fight, as well as demonstrate an appropriate level of emotional commitment to the staged violence.
 - d. The choice of character should not interfere with the combatant's ability to perform the required techniques in a realistic manner, either for comic or dramatic effect.
 - e. Dialogue within the choreography of the fight should be restricted to lines that enhance and relate to the action.

- f. The combatants will perform the fight at performance speed and with acting beats. Actions and objectives should be carefully worked out.
 - g. The performance should take place in a proscenium format.
 - h. Part One of the FPE may be open to the public.
- 16.7.7. Part Two will be based on techniques from the BASSC set moves or the choreography from Part One. This part of the FPE is closed to the public. The purpose of Part Two is to allow the Fight Examiner to clarify technical or performance issues arising from Part One, should the Fight Examiner deem it necessary.
- 16.7.8. Teachers should devote an equal amount of time to the coaching of each fight exam scene.
- 16.7.9. The teacher of the FPE may not be examined with or partner their own students.

- 16.9. The CT will apply to have their exam adjudicated by contacting the Secretary and requesting an examiner.

 - 16.9.7. In the event of no responses being received from Examiners for a particular FPE the Secretary will send out a reminder to them seeking an Examiner for the FPE within a week of the receipt of the Examiner request.
 - 16.9.8. If no Examiner is available the Secretary will inform the CT so that the FPE can be rescheduled or take place as a video exam.
 - 16.9.9. If there are less than eight (8) students The BASSC may suggest the FPE be adjudicated by video.

- 16.10. Candidates who take the FPE may 'Not Pass', 'Pass' or 'Pass with Distinction'. The grades are to be as follows:

- 16.15. The Secretary will enter the results on the FPE database and assign the student's new BASSC status, if appropriate.
- 16.16. There is a non-refundable student exam fee for all FPEs.
- 16.16.1. The current fee schedule is outlined in Section 31 Fees & Charges Index.
- 16.17. Where a CT is running an FPE themselves, they are responsible for the collection of student fees and payment thereof to the Treasurer of the BASSC along with the registration fee. Where they are running an FPE on behalf of a school or organisation they are responsible for ensuring that the Treasurer has accurate student examining numbers and invoicing details for the organisation.
- 16.18. The host school or organisation, including a CT running an FPE course independently will pay:
- 16.18.1. A single FPE registration fee as outlined in Section 31 Fees & Charges Index. However, if the exam involves fewer than ten (10) students, the fee will be reduced to a set fee per student as outlined in Section 31 Fees & Charges Index.
 - 16.18.2. Where a CT or host school or organisation expects to run more than one FPE within a 12 month period they may opt to pay in advance for a Multi-Exam flat fee. The flat fee period begins on 1st June of each year and the fee is outlined in Section 31 Fees & Charges Index.
 - 16.18.3. Where a CT or host school or organisation runs a single FPE and then decides to run additional FPEs, the first FPE registration fee will be charged at the rate as defined in 16.18.1 and subsequent FPEs at a reduced rate till the balance of the Multi-Exam fee is met as outlined in Section 31 Fees & Charges Index.

- 16.23. The CT is responsible for maintaining the weapons and a safe working space.

- 16.25. If a CT so desires the FPE may be adjudicated by video, provided the following requirements are met:
 - 16.25.1. The video footage will be made available to the Examiner.
 - 16.25.2. The video footage is not edited and the camera is in a stationary position. The performers' full figures must be in view at all times and should fill the frame as much as possible. Panning and zooming is permissible.

- 16.27. Where a certification course is being run as an intensive workshop outside the UK with a video FPE, the CT, with the agreement of the examiner, may request the examiner to make an adjudication on the day of the FPE so that students can receive their certificates before the end of the workshop. In this instance, certificates may be sent electronically or, if hard copy certificates are to be given, these can be sent out in advance of the FPE with the student's name, weapon, Examiner's signature and date, and the CT will enter the grade in accordance with the Examiner's adjudication. Shipping costs for hard copy certificates will be met by the CT. In accordance with 16.17.6 Certificates may not be released until all exam fees have been paid.

- 16.29. The British Academy of Stage & Screen Combat, its officers, its teachers and members as individuals disclaims responsibility for injury to students, teachers, or audience members as a result of the Fight Performance Exam. Organisations desiring to have the BASSC adjudicate students in a fight exam assume all responsibility and liability for accidents, injury, and weapon failure, during both the training process and the exam itself. It is the responsibility of the CT to make this known to the organising body at the start on any certification course. Any organising body's failure to agree to assume such liability makes such an organisation ineligible for BASSC adjudication.

- 23.2. The ICA is open to students of the age 18 or over who can test to obtain their ICA certificate in Single Rapier and Unarmed Combat.
 - 23.2.1. In order to take the ICA students must have a minimum of thirty (30) contact teaching hours with a student teacher(s) on the TCW.
- 23.3. The rules and guidelines for the ICA are as follows:

 - 23.3.2. The ICA may be divided into two parts. Part One is compulsory and Part Two will be held at the discretion of the Fight Examiner.
 - 23.3.3. Both weapon disciplines must be performed in a single scene. Each scene performed for the ICA may not exceed three (3) minutes.
 - 23.3.4. Part One of the ICA is the performance of the choreography within the context of a scene, in which the performance is both safe and dramatically effective.
 - 23.3.5. The choreography must include the minimum compulsory techniques set down by the BASSC (see Section 25.00 Minimum Compulsory Techniques for the Introduction to Combat Award).

- 23.3.7. Student teachers should devote an equal amount of time to the coaching of each fight ICA scene.
- 23.3.8. It is the responsibility of the student teachers to be familiar with and follow BASSC rules for adjudication of the ICA, including, but not limited to, the compulsory moves for Part One of the ICA.
- 23.3.9. The BASSC will only adjudicate ICAs taught by student teachers at the Teacher Certification Workshop.
- 23.3.10. No teacher, including Fight Examiners, can adjudicate their own students.

- 23.9. Student teachers must ask students to complete the GDPR consent form to ensure that permission has been given for the BASSC to hold personal information in accordance with Paragraph 16.13.2
- 23.10. ICA recognition expires three years from the date of issue.
- 23.11. The ICA is not a renewable certification but students who pass an ICA at the TCW may attend the basic workshop at the BNSCW at a discounted rate while the ICA certificate is current.
- 23.12. The ICA is not a qualification that entitles the student to apply for student membership of the BASSC.

- 23.13.1. The current fee schedule is outlined in Section 31 Fees & Charges Index.

24. The Junior Grade Award

- 24.1. The JGA is the means by which students between the ages of 14 - 18 can test to obtain their Junior Grade Award in Single Rapier and Unarmed Combat.
- 24.2. Any student under the age of 18 is deemed a child under law in the UK. The legal requirements for child safeguarding are extensive and for this reason the BASSC will not run JGAs under its own auspices. CTs who wish to run a JGA should do so through a school or organisation that has appropriate child safeguarding policies in place and CTs should make themselves fully aware of the requirements of those policies before undertaking the teaching of a JGA. It is strongly recommended that JGAs are not run by CTs independently under their own auspices. Information on safeguarding is contained in the BASSC Safeguarding policy.
- 24.3. In order to take the JGA students must have a minimum of thirty (30) contact teaching hours with a BASSC CT.
- 24.4. The rules and guidelines for all JGAs are as follows:
 - 24.4.1. All JGAs must be adjudicated by a member of the Board of Examiners or their appointee.

 - 24.4.3. Both weapon disciplines must be performed in a single scene. Each scene performed for the JGA may not exceed three (3) minutes.
 - 24.4.4. Part One of the JGA is the performance of the choreography within the context of a scene, in which the performance is both safe and dramatically effective.
 - 24.4.5. The choreography must include the minimum compulsory techniques set down by the BASSC (see Section 25.00 Minimum Compulsory Techniques for the ICA and Junior Grade Award).
 - a. The BASSC suggests that all scenes come from dramatic literature and reviewed in accordance with Paragraph 16.7.6.b.
 - b. The scene must establish character and a cause for the fight, as well as demonstrate an appropriate level of emotional commitment to the staged violence.
 - c. The choice of character should not interfere with the combatant's ability to perform the required techniques in a realistic manner, either for comic or dramatic effect. There must be a sense of tension and potential danger in the fight.
 - d. Dialogue within the choreography of the fight should be restricted to lines that enhance and relate to the action.

- e. The combatants will perform the fight at performance speed and with acting beats. Actions and objectives should be carefully worked out.
 - f. The performance should take place in a proscenium format.
 - g. Part One of the JGA is open to the public at the discretion of the CT.
 - h. Part One is adjudicated based on Safety, Intention, Technique and Overall Performance.
- 24.4.6. Part Two will be based on techniques from the BASSC JGA set moves or the choreography from Part One. This part of the JGA is closed to the public. The purpose of Part Two is to allow the Fight Examiner to clarify technical or performance issues arising from Part One, should the Fight Examiner deem it necessary.
- 24.4.7. Teachers should devote an equal amount of time to the coaching of each JGA scene.
- 24.4.8. It is the responsibility of the teacher to be familiar with and follow BASSC rules for adjudication of the JGA, including, but not limited to, the compulsory moves for Part One of the JGA.
- 24.4.9. The BASSC will only adjudicate JGAs taught by CTs of the BASSC, unless the teacher fits the description set out in Paragraph 16.7.11.
- 24.4.10. No teacher, including Fight Examiners, can adjudicate their own students.
- 24.4.11. Weapons used during rehearsal and performance of the JGA must be practical, well-maintained, and safe stage weapons of the historical period.
- 24.4.12. A fully stocked First Aid Kit and ice packs must be on site and easily available at all adjudications.
- 24.4.13. The adjudicating Fight Examiner has the right to cancel the adjudication at any time if the above regulations have not been adhered to, or if the Fight Examiner feels that the weapons or choreography are unsafe.
- 24.4.14. The BASSC cannot be held responsible for any accident or injury that may occur as a result of participation in or observation of the JGA. Prior to the start of JGA course the CT will obtain a signed BASSC release form from a parent or guardian of the student.
- 24.5. Video Recording of Junior Grade Awards
- 24.5.1. Video recording of any nature is strictly prohibited for all JGAs when they are adjudicated live.

- 24.5.2. If a BASSC approved Fight Examiner cannot be present, the JGA can be assessed by video in accordance with Paragraph 16.18.
- 24.6. Details of the JGA will be submitted in accordance with Paragraph 16.9
- 24.7. Candidates who take the JGA may 'Not Pass', or 'Pass'. Gradings are as follows:
- a. Not Pass
 - b. Junior Award
 - c. Junior Gold Award
- 24.8. The Fight Examiner's decision is final.
- 24.9. The Fight Examiner and the CT must both sign and date the JGA Results form, and the CT is responsible for sending the form to the BASSC Secretary along with the GDPR consent form.
- 24.10. CTs must ask JGA students to complete the GDPR consent form and, if the student is under 18, that it is signed by a parent or guardian to ensure that permission has been given for the BASSC to hold the personal information in accordance with Paragraph 16.13.2.
- 24.11. JGA recognition expires three years from the date of issue.
- 24.12. The JGA is not a qualification that entitles the student to apply for student membership of the BASSC, even if the student is 18 years of age.
- 24.13. Students who who pass a JGA may attend the basic workshop at the BNSCW at a discounted rate provided that they are 18 years of age and while the JGA certificate is current.
- 24.14. There is a non-refundable student test fee for all JGAs.
- 24.14.1. The current fee schedule is outlined in Section 31 Fees & Charges Index.
 - 24.14.2. The CT is responsible for the collection of student fees and payment thereof to the Treasurer of the BASSC
- 24.15. The host school or organisation will pay:
- 24.15.1. A registration fee as outlined in Section 31 Fees & Charges Index. However, if the JGA involves fewer than ten (10) students, the fee will be reduced to a set fee per student as outlined in Section 31 Fees & Charges Index.
 - 24.15.2. Travel expenses for the Fight Examiner.
- 24.16. The CT is responsible for maintaining the weapons and a reasonably safe working space.

- 24.17. If a Fight Examiner cancels a JGA because of an infraction of the rules (see Paragraph 16.7.15) and the school subsequently refuses payment, the BASSC will cover the Fight Examiner's expenses.
- 24.18. The British Academy of Stage & Screen Combat, its officers, its teachers and members as individuals disclaims responsibility for injury to students, teachers, or audience members as a result of the Junior Grade Award adjudication. Organisations desiring to have the BASSC adjudicate students in a JGA assume all responsibility and liability for accidents, injury, and weapon failure, during both the training process and the adjudication itself. It is the responsibility of the CT to make this known to the organising body at the start on any certification course. Any organising body's failure to agree to assume such liability makes such an organisation ineligible for BASSC adjudication.

- 26.8. If no member of the Board of Examiners is available to examine an FPE, the Board may nominate a temporary examiner to the EC for a specific named FPE. This mechanism is only to be used in circumstances within which both the Board and the EC agree, by individual majority vote, that the use of a video exam would not be in the best interests of the BASSC. The temporary examiner can only be appointed with the written agreement of the CT organising the FPE.
